General C. P. Cabell, USAF  
Acting Director  
Central Intelligence Agency  
Washington 25, D. C.

Dear General Cabell:

Thank you for your letter of 10 September and your offer to have Dr. Herbert Scoville, Jr., the Assistant Director for Scientific Intelligence, acquaint me with the Soviet space program. I would very much like to meet with Dr. Scoville sometime during the week of 22 September and will telephone your office to arrange a mutually satisfactory date.

In the meantime, it would be entirely appropriate for you to now make available on a continuing basis the intelligence reports prepared by your office which may be of interest to NASA.

Sincerely,

*Keith Glennan*
